Dealer Comments

This used 2023 Ford Super Duty F-250 SRW feels like the truck you call when the day is going to be long and the load is stubborn. The cab is set up for work and comfort - power mirrors take the guesswork out of hookups, steering wheel controls keep your focus on the road, and cruise control smooths the interstate miles. A cabin air filter keeps the cab fresher on dusty jobs and a tire pressure monitor helps you stop surprises before they start.
