Dealer Comments
The 2022 Ford F-150 is a used truck that feels solid the moment you climb in. The cabin air filtration keeps the interior fresher on longer drives, and the tire pressure monitoring helps you notice issues before they become a problem. A factory security system and multiple airbags add peace of mind every day. This F-150 is straightforward to live with and built for work or weekend plans - take a look and see how it fits your routine.
