Dealer Comments

This used 2023 Chevrolet Silverado 3500HD CC feels like the kind of truck that gets the job done without fuss. With just 28,029 miles, low mileage for its age, it still rides tight. The cabin air filtration and airbags make longer hauls more comfortable, while tinted windows and a security system protect what matters. A tire pressure monitor keeps errands moving without surprises. Come take the Silverado 3500HD CC for a drive.

Installed Features

- Airbags Dual-stage frontal airbags for driver and front outboard passenger; Seat-mounted side impact airbags for driver and front outboard passenger; Head-curtain airbags for front and rear outboard seating positions; Includes front outboard Passenger Sensing System for frontal outboard passenger airbag (Always use seat belts and child restraints. Children are safer when properly secured in a rear seat in the appropriate child restraint. See the Owner's Manual for more information.))StabiliTrak
- stability control system with Proactive Roll Avoidance and traction control
- includes electronic trailer sway control and hill start assistTeen Driver a configurable feature that lets you activate customizable vehicle settings associated with a key fob
- to help encourage safe driving behavior. It can limit certain available vehicle features
- and it prevents certain safety systems from being turned off. An in-vehicle report card gives you information on driving habits and helps you to continue to coach your new driverTire Pressure Monitoring System with Tire Fill Alert (does not apply to spare tire)Bumper
